

Grace Lutheran School Financial Aid Information

Families attending Grace Lutheran School, grades PK – 8th, may be eligible for financial assistance.

Financial Aid through Grace Lutheran School:

Financial aid grants and scholarships are offered through the Mamie Adams Scholarship Fund and Grace Lutheran Church. To apply for financial assistance through Grace Lutheran School, families must complete an application on [FACTS](#). The FACTS Grant and Aid application requires recent tax information and a \$35 processing fee. Families must reapply each year. Financial Assistance applications open in February and award notifications begin in May.

Alabama Scholarship Granting Organizations:

Grace participates in the Scholarship Granting Organization (SGO) aid through the Alabama Accountability Act. We have partnerships with [Rocket City SGO](#), [Scholarship for Kids](#), and [Alabama Opportunity Scholarship Fund \(AOSF\)](#).

Scholarships from these organizations are prioritized to new students attending Grace Lutheran and current scholarship recipients. Funding may be available for current students. Applications deadlines vary by organization. Please check the individual websites for application requirements and deadlines. Contact the school office for additional information.

Financial Aid Donors:

All financial assistance depends upon the generosity of donors. We are thankful for each donation that allows a child to attend Grace Lutheran School. For information on how to become a donor, please contact the school office or use the Give button at the bottom of the website page.
