There will be no camp July 4th

Arrival and Dismissal

All campers must be signed in and signed out each day by an adult. Exceptions must be previously approved in writing by parent and camp administration. (i.e. high school sibling picking up child) It is extremely important for parents to be prompt with dropping their children off and picking them up. Campers should arrive between 7:30 AM and 8:00 AM and depart by 5:30 PM. The children will be picked up from the Assembly Room (Door B12).

Camp Communications

Communication between home and camp is very important. In addition to this Camp Handbook, the camp staff will keep families informed and updated concerning camp activities through weekly camp newsletters- emailed and sent to parents at the end of each week.

Camp T-Shirts

Each Child will be issued an official camp t-shirt. The t-shirt is to be worn on all camp field trips and for any other announced activity/special event. The cost of the t-shirt is included in the camp enrollment fee and sizes are taken from the camp registration form. Additional shirts may be purchased, if quantities are available.

Clothing

Your child should be dressed in play clothes based on the day's weather forecast. Children should wear clothes that can get soiled, because our daily activities involve outdoor play, special events, and art projects with paint, glue, clay, and other messy materials. Proper footwear (closed toe shoes) is also required. Gym shoes or rubber soled shoes with socks are highly recommended. It is difficult to play and walk any distance in sandals. Shorts, short sleeve shirts, skorts, etc. are suggested clothing for warm weather days. **NO OFFENSIVE T-SHIRTS** (alcohol, suggestive, bad language, etc.) **OR OTHER OFFENSIVE CLOTHING SHOULD BE WORN OR SENT TO CAMP.** Children violating this policy will be asked to call a parent work for additional set of clothes to change into. Bathing suits should not be worn to camp, however they should be brought to camp for all water play days.

Pre-K & K: An extra set of clothes, including socks, underwear, shorts, shirt, etc., should be kept in your child's backpack in case of any type of spill or accident. Please label all pieces of clothing, swimwear, and any other items that are sent to camp.

Lunch/Snack

Campers should bring a labeled water bottle to camp each day as well as a sack lunch and morning snack. A afternoon snack is provided for the campers for After Camp at 3:45.

What should my child bring to camp?

- Backpack
- A reusable water bottle that is labeled with their name. Please only fill with water.
- Lunch and Morning Snack
- An extra set of clothes
- Light blanket and small pillow (On Movie Days)
- Swimwear, including towel (On Water Days)
- Plastic bag for wet clothes
- **Pre-K & K–** Nap mat

Where will camp be held?

The camp will utilize many areas, both inside and outside of the church and school buildings. The campers will be divided into grade-based groups during the 8:00-3:30 camp session using various classrooms throughout the buildings. After Camp sessions will take place in the assembly room. Lunch will be eaten in the cafeteria. Assemblies and rainy day play will take place in the FLC Gym. The school playground, picnic area, and the adjoining field will be used for outdoor play.

Sunscreen

The camp will provide large bottles of sunscreen for its campers. Carrying one bottle per group is more practical than one per child, especially with the many off campus activities that are included in the camp program. It is recommended, however, that parents put sunscreen on their children before they arrive at camp. The camp staff will assist the campers with applying additional amounts of sunscreen, as needed, throughout the day.

Field Trips

The camp program includes weekly field trips or special activities which are usually taken on Tuesdays or Thursdays. The Grace Lutheran bus will transport campers to and from the trip location, unless otherwise specified. All campers should bring a sack lunch and drink for their field trips, unless noted otherwise in the camp newsletters. Field trip Prices are included in the tuition.

Medication

Please be sure that any medications, physical limitations, allergic reactions, or other special medical conditions are noted on the child's initial enrollment form. As a regular school setting, it is important that the staff is aware of any medical condition that could affect the child during the camp day. Any child needing to take medication during the camp day will need to fill out a medication form and have it on file in the camp office. The family is responsible for providing the medication in a container that is clearly labeled with the child's name, medication, directions, and dosage. Tylenol, Advil, Tums, and cough drops will be available to the camper with parent consent. If a child is in need of an over the counter medication, a parent/guardian will be contacted by phone in order to consent to the administration of the medication.

Emergency Procedures

General first aid procedures with basic first aid kits will be utilized by the staff of the camp. If your child is seriously injured, our staff will take whatever steps may be necessary to obtain emergency care. These steps may include, but are not limited to the following:

- * Attempts to contact a parent or guardian.
- * Attempts to contact an emergency friend or relative listed on the emergency form.
- * Calling an ambulance. The child will be taken, if deemed necessary, to an emergency hospital in the company of a staff member, where a parent or guardian would be required to meet them.

All parents must have a signed, completed medical consent on the enrollment materials and it must be on file with the director.

Behavior Expectations

Our Summer camp staff wishes to partner with parents in regards to classroom management and appropriate behavior choices. The camp staff will expect your child to do the following:

- Respect authority and treat others as special children of God.
- Listen to and follow directions.
- Accept responsibility for his/her own actions.
- Practice self-control and keep hands to him/herself.
- Use positive and appropriate language.
- Work cooperatively and participate in activities.
- Stay together as a group, especially on field trips and walking trips.
- Respect the property of Grace Lutheran Church and School and the people and places we visit.
- Bullying will not be tolerated.

The camp staff will strive to emphasize and encourage positive behaviors and appropriate choices at camp. When needed, the following steps will be used to promote improved behavior and classroom management:

1. A verbal warning will be given to the student to encourage the appropriate and expected behavior, an age-appropriate consequence (such as sitting out, time out, loss of privilege) may be given.
2. Parents may be called to pick up their student.
3. A behavior plan may be implemented.
4. If the behavior does not improve according to the plan or severe misbehavior occurs, the student will be unenrolled from the camp program. No refunds will be given.
